

LOVE PLAYING
MUSIC?

WANT TO SEE
WHAT BEING IN AN
ORCHESTRA IS LIKE?

THEN
ACCESS **2** ORCHESTRA
IS FOR YOU!

The **National Children's Orchestra** provides young people with a world-class foundation in orchestral performance and musicianship. We bring together hundreds of 7-13 year olds from across the country and offer them a life-changing experience – meeting like-minded people and being guided by top professional musicians.

Access2Orchestra invites children aged 6-12 who play an instrument to join the National Children's Orchestra to meet other young musicians, rehearse music together and perform for family and friends at the end of the day.

There is no cost and no need to audition. All children who play an instrument at a Grade 3-8 standard are welcome.

Children will need to bring:

- Their instrument
- A packed lunch
- A bottle of water
- Lots of enthusiasm!

The day will finish with a concert for family and friends at 4pm (4:30pm in Cambridge).
